Attention: Publications Unit

Gentlemen:

At the request of the [redacted] USAF, this Agency surveyed its need for [redacted] in March 1958, with the idea of decreasing its distribution wherever possible. Minimum requirements were furnished in terms of document categories which the [redacted] Project Office had furnished. Since that time, offices which had previously received their own copy were forced to share copies. This has proved unsatisfactory in view of consequent delays in getting the documents circulated.
